About Us

The National Society of Black Engineers (NSBE) is one of the largest student-governed organizations in the world. Our chapter, at the University of Ottawa mission is "**to increase the number of culturally responsible black engineers who excel academically, succeed professionally and positively impact the community**."

National Society of Black Engineers
University of Ottawa

Our Vision

We envision a world in which **engineering is a mainstream word in homes and communities of color,** and all Black students can envision themselves as engineers. In this world, Blacks exceed parity in entering engineering fields, earning degrees, and succeeding professionally.

NSBE Objectives

The National Society of Black Engineers strives to accomplish the following objectives for our organization:

- Stimulate and develop student interest in the different engineering disciplines
- Strive to increase the number of minority students studying engineering at both the undergraduate and graduate levels
- Encourage members to seek advanced degrees in engineering or related fields and to obtain professional engineering registrations
- Promote public awareness of engineering and the opportunities for Blacks and other minorities in that profession
- Function as a representative body on issues and developments that affect the
- careers of Black Engineers in Canada

Excellence. Exposure. Community. Empathy. Leadership.

Upcoming Launches

We are excited to present an **engaging** and **impactful** series of events for the academic year, designed to enrich the **student experience through professional development, community building, and mental health support.**

Professional Development Event

Our sponsorship opportunities include events focused on **Company Events, Networking Events, and Professional Development initiatives.** NSBE uOttawa is committed to **enhancing the student experience** through mentorship, academic support, professional development, networking, and community engagement. By partnering with us, sponsors like you play a crucial role in empowering students and shaping future leaders.

About our Newsletter

We believe this newsletter will be an invaluable resource to keep you **connected and engaged with all the exciting activities happening throughout the year**. Our goal is to ensure you never miss an opportunity to participate, learn, and grow.

Each newsletter will highlight:

- **Event Schedules:** Detailed information about the events planned for the month, including dates, times, and locations.
- **Feature Stories:** Spotlights on our key events, interviews with guest speakers, and success stories from our community.
- **Professional Development Opportunities:** Announcements about networking events, career fairs, and professional workshops.
- **Mental Health and Well-being Tips:** Articles and resources to help you manage stress and maintain a healthy balance during the academic year.
- **Community Engagement:** Updates on our fundraising efforts, partnerships, and collaborative events with other organizations.

University of Ottawa

Event Type Overview

1. **Company Events:** Showcase industry trends, career paths, and organizational cultures through keynote speakers, company presentations, and panel discussions.
2. **Networking Events:** Facilitate connections between students and professionals through structured networking sessions, mixers, and meet-and-greet opportunities.
3. **Professional Development Initiatives:** Provide workshops, seminars, and mentorship programs focused on resume writing, interview skills, personal branding, and career exploration.
4. **Career Fair :** A flagship event where students can connect directly with potential employers, explore job opportunities, and network with industry professionals.

Our Events - Fall Semester

We invite sponsors to join us in making these events successful and memorable for our diverse student body. Here's a glimpse of our planned activities.

September

Welcome Month

Welcome Event: Kick off the year with a fun and engaging welcome event to introduce new and returning members to our community.

October

Fund Raising Month

Fundraising and Raising awareness: For a meaningful cause that resonates with our community. This month, we aim to not only raise funds but also raise awareness about an important issue that affects many lives.

November

Professional Development

Empowering our community: with the skills, knowledge, and connections needed to thrive in their professional journeys. Our Professional Development Month is designed to provide a comprehensive suite of activities that cater to diverse career aspirations and stages.

December

Mental Health Month

Mental Health and Exam Season: During Mental Health Month, we prioritize the well-being of our students by raising awareness and providing resources to support them. We aim to create a compassionate and understanding community where every student feels empowered to prioritize their mental health

Our Events - Winter Semester

January

Professional Development

Career Fair: During our Professional Development Month, we are dedicated to facilitating career growth and helping students secure both summer internships and permanent positions.

Febuary

Black Excellence

Black History Month: We proudly center our focus on Black History Month, celebrating the rich contributions and achievements of Black individuals within the engineering field and beyond. This month serves as a platform to explore the intersection of the Black experience with engineering and aligns closely with our organization's three pillars: mentorship + academic support, professional development, and networking + community.

March

Engineering Month

Engineering Month: we shine a spotlight on the dynamic and innovative field of engineering, celebrating its impact on our world and the opportunities it offers for growth and exploration.

April

Mental Health Month

Mental Health and Exam Season: During Mental Health Month, we prioritize the well-being of our students by raising awareness and providing resources to support them. We aim to create a compassionate and understanding community where every student feels empowered to prioritize their mental health

**Please note that these monthly themes are preliminary and subject to change based on feedback and evolving priorities.

“When I send my resume to companies, I always start with our sponsors because I already know that they’re invested in my success"

Why Sponsor Us

By partnering with the National Society of Black Engineers (NSBE - uOttawa), you are not just supporting a worthy cause; you're **investing in the future**. Your sponsorship means that you're not only backing our current initiatives but also **actively contributing** to the creation of a **robust legacy of leaders, innovators, and skilled global citizens. Together, we can shape a brighter tomorrow, making a lasting, positive impact on the world** for decades to come.
